WEEKLY NEWS AND INFORMATION

'I will instruct you in the way you should go; I will counsel you with my loving eye on you.' Psalm 32:8

Dear Parents and Carers,

Week beginning 20th March 2023

This week's learning highlights:

News

Everyone has been working so hard this week with their end of term assessments.

Highlights from this week include:

In the Infants, we have been thinking about the life of Moses. The children were asked the question 'how did God show that he kept his promise to the Israelites'? Year One and Two have also been enjoying watching their beans and cress grow. The beans have got very tall and seem to grow so much overnight!

Year 3 and 4 have been working brilliantly to understand dividing 2 digit numbers by 1 digit numbers with remainders! This week the children have planned and written a sequel to the story Journey. The characters from the story have been on some fantastic adventures.

The Juniors enjoyed making clay houses with Mrs Stephens and Miss Harrold. The results were fantastic and really showed the progress that the children have made using mark making, shaping and slip and score skills.

★ Special Mentions ★

Molly and **Chloe** for brilliant dividing in maths.

Matilda and **Nathan** for including speech and punctuating accurately in their writing.

Leo for working really hard to improve his writing, so that it is really interesting and engaging for the reader.

Alfie and **Esme** for fantastic progress in swimming.
