#### News from the Infants (Reception, Year 1 & Year 2)

This week the Ladybirds have had their first Lynnsport session. They loved it and were brilliant. They have been busy learning their sounds and know enough to read and write "real words!" They are very pleased with themselves.

The Bees have finished reading "Billy and the Beast and have been really inspired by the story. They have started work on retelling the story using the skills practiced over the week. We have been very impressed!

They have also been using number lines to estimate, compare and order numbers. Their deep thinking has been very impressive.

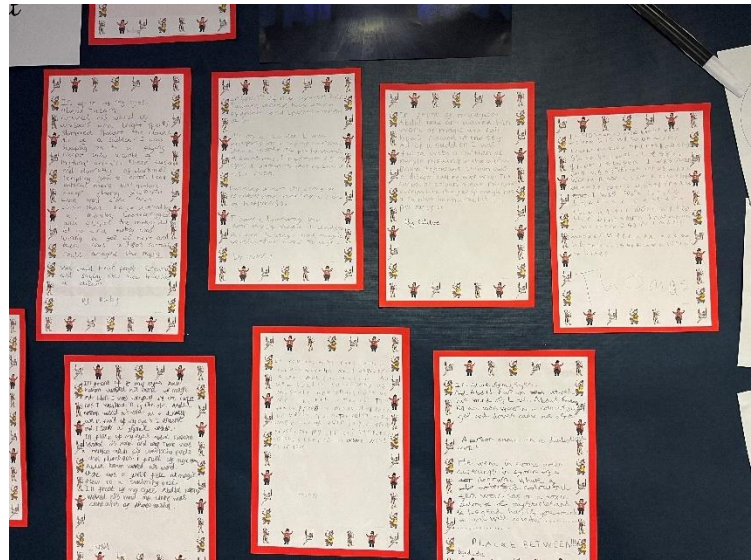

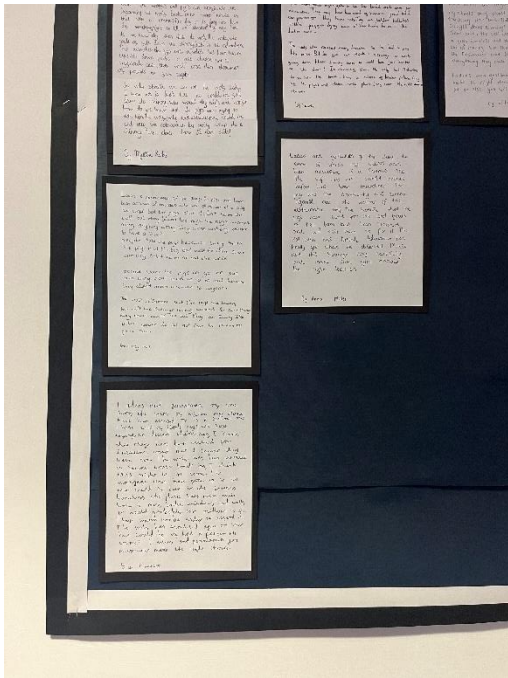

Also we have been thinking about "looking after our planet" and have been focusing on reducing food and plastic waste. Why not ask them what they have learned.

## News from the Juniors (Year 3, Year 4, Year 5 & Year 6

This week the juniors have been busy publishing some work in English. Year 3 and 4 have been writing thoughts from a character's point of view in our book *Leon and the Place between*, using ambitious vocabulary to describe what is going on. Year 5 and 6 have been writing closing court arguments to support the Three Little Pigs and to argue that they should be freed without charge! They have really gotten into this writing and produced some beautiful work.

In science year 5 and 6 are writing an experiment to test the best materials to keep hot drinks warm. Year 3 and 4 have been looking at sorting animals into different groups and the many ways we could do this.

## VISION, VALUES & COLLECTIVE WORSHIP -

Collective Worship: This week, we have been thinking about how hard it is to forgive someone but how much better you can feel afterwards if you do. We heard passages and stories from the Bible which reminded us to forgive others as we would like to be forgiven.

# We will be complying with the National Threshold for Penalty Notice Fines

**Norfolk**  
County Council

## Penalty Notice Fines for School Attendance are changing!

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued **after 19th August 2024**.

### **Per Parent, Per Child**

Penalty Notice Fines are issued to each parent, for each child that was absent. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

### **National Threshold**

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The 10-school week period can span different terms or school years.

---

### **First Offence**

The first time a Penalty Notice is issued for unauthorised absence the amount will be:

- £160 per parent, per child paid within 28 days.
- Reduced to £80 per parent, per child if paid within 21 days.

### **Second Offence (within 3 years)**

- The Second time a Penalty Notice is issued for unauthorised absence the amount will be:
- £160 per parent, per child paid within 28 days.

### **Third Offence and Any Further Offences (within 3 years)**

- The third time an offence is committed a Penalty Notice will not be issued and the case will be presented straight to the Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500.
- Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
